July Hijiori Hot Spring Opening Festival

This is a Shinto ritual held on July 14, which is considered to be the opening day of Hijiori Hot Spring. The Jizo Mikoshi (portable shrine) features various activities, including one in which hot water is poured on the portable shrine, during which time the hot spring town is filled with a great bustle. We thank the god of hot springs and praise the great deeds of our ancestors who conserved the hot springs through the ages.

Location Hijiori Hot Spring Town

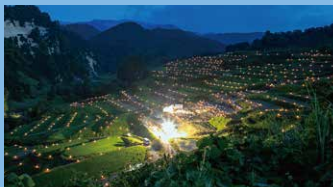

July to October HIJIORI NO HI

On summer nights, lanterns are lit up in the hot spring town. The lantern paintings for "HIJIORI NO HI" are done by artists who stay in the area and research the goings-on. Please enjoy "Hijiori Story," which depicts various aspects of Hijiori Hot Spring's natural surroundings, landscape, lifestyle, and hot spring cure culture.
